Be a Super Saver with FAT CAT

Saving with the Credit Union can help your money grow! When you put your money into your FAT CAT Share Account, the Credit Union helps keep it safe and pays you an extra amount for what you have saved in your account. The extra amount is called dividends. The more money you have in your FAT CAT Share Account, the more dividends you will earn! It's fun to watch your savings increase over time.

When you receive money as gifts or for doing chores, be sure to add some of it to your FAT CAT Share Account to help with special savings goals like a new game, a fun trip, or even something bigger when you're older. The Credit Union gives your money a safe place to grow and is ready for you when you need it. Keep being a paw-some saver with FAT CAT!

Spring Outdoor Adventures

Spring can be a great time to get outside and have fun with family and friends! Adventures await in your own yard and in other places close to home. Here are a few ideas of things to do and places to explore:

- Collect different kinds of leaves and use them for an art project
- Plant some flower or vegetable seeds and watch your plants grow over the spring and summer
- Look for different kinds of birds in your yard and make a birdfeeder for them
- Go for a walk or bike ride
- Visit a local park

You can take pictures of your adventures and create a memory photo album. Enjoy!
