What Can You Find At An SECU Branch?

A great way to learn more about money is to visit your local Credit Union branch. While you are there, you'll see some of the ways that SECU helps members take care of their money. Here's what you may find:

- **SECU employees** who are available to help with questions or transactions.
- **Counters and offices** where SECU employees are located and ready to assist.
- **Coinstar® kiosk** that counts coins that you can deposit into your FAT CAT® Share Account.
- **Posters and handouts** that provide information about products and services available through SECU.
- **Safe deposit boxes** where members can keep valuables locked for safekeeping.
- **CashPoints® ATM** that lets members perform transactions, like deposits or withdrawals from their account. ATMs can be at a branch or in other areas of the community. SECU has over 1,000 ATMs in North Carolina!

The next time you visit a branch with a parent or guardian, see how many of these things you can spot!

Understanding Currency

Currency is a system of money used in a country. For example, the U.S. Dollar is the official currency in the United States of America.

Denomination is how much the currency's paper bill or coin is worth. U.S. paper bills have seven denominations: \$1, \$2, \$5, \$10, \$20, \$50, and \$100 dollar bills. U.S. coins have six denominations: 1¢, 5¢, 10¢, 25¢, 50¢, and \$1.

DID YOU KNOW?

The faces on U.S. paper bills include five presidents and two founding fathers!

*Have fun being
a paw-some saver!*

Complete the Coloring!

View previous winners in FAT CAT's Art Gallery at www.cufatcats.org!

Send in your completed coloring along with your full name, address, and age by **September 1, 2025** for the chance to win in a random drawing. Winners will receive a FAT CAT backpack!
